| Jack Simpson                    | June 30, 2025 (3 year term)       |         |             |
| Robert Williams                 | June 30, 2023 (1 year term)       |         |             |
| Mayor Joe Wise                  | City Commission Seat              |         |             |
| Patricia C. Oldham, AICP, TCED  | Executive Director- Non-Voting    |         |             |

JCDA Finance Manager, Daniel McIntosh

Others Guests Present:

# **Minutes**

# **Johnson City Development Authority**

Tuesday, November 22, 2022 @ 8:00 AM 510 Bert St. Johnson City, TN 37604

#### **CALL TO ORDER**

Called to order at 8:01 AM by Chairman, Hank Carr.

Confirm: Quorum 6/11 Voting Members Required
Quorum Sheet for November 22 2022 Agenda 1.1

**Claim for Member Conflict of Interest** 

**Additional Action Item to Agenda** 

#### APPROVAL OF THE MINUTES OF THE PREVIOUS MEETING

Review and Adoption of the October 28, 2022 Meeting Minutes

Commissioner Aaron Murphy made a motion to approve the October Board Meeting Minutes as presented, which was seconded by Vice-Chair Shannon Castillo. The motion passed.

#### **COMMITTEE REPORTS**

TIF Advisory Report (Standing Committee) - No Report

#### **John Sevier Operations Report**

Executive Director Oldham updated the board on the current John Sevier Center operations. Updates were shared in regard to the elevator and recent flooding in the building. Oldham also shared recent news on Mark Up To Market and resident rates.

#### **John Sevier Disposition Report**

Executive Director, Patricia Oldham updated the board on the John Sevier Centers Disposition report.

**Downtown Center/Parking Report (No Report)** 

#### **Finance Committee Report**

Finance Manager, Daniel McIntosh shared the finance committee report and recommendations for the following financial statements. The finance committee recommends board approval of the current financials for the Johnson City Development Authority General Fund, TIF, and the John Sevier Center. In addition, the finance committee also recommends approval for fund allocation from John Sevier Center Housing Assistance Program.

#### **Human Resources Report**

Chairman Carr shared the HR Committee report and the recent Executive Director employee review. Earnest Campbell motioned to approve the Executive Director's annual review and compensation adjustment. Robert Williams seconded the motion. The motion passed.

#### **FINANCIALS**

#### Johnson City Development Authority General Fund Financials, October 2022

Commissioner Freddie Malone made a motion to approve the JCDA General Fund Financials as presented. Mayor Joe Wise seconded the motion. The motion passed.

#### **Johnson City Development Authority TIF Financials October 2022**

Commissioner Freddie Malone made a motion to approve the TIF financials as presented by McIntosh. Commissioner Aaron Murphy seconded the motion. The motion passed.

#### **Review of John Sevier Center Financials October 2022**

Mayor Wise made a motion to approve the John Sevier Center financials for October 2022. Commissioner Malone seconded the motion. The motion passed.

# Approve Deposit and Allocation of Funds from John Sevier Center Housing Assistance Program

The Finance Committee recommended that the funds from the U.S. Department of Housing and Urban Development Housing Assistance Program (HAP) in excess of the John Sevier regular operating costs and budget be accepted and then maintained in the John Sevier Reserve bank account. Additionally, that the payment to repay the amount due to the JCDA from the John Sevier Center per the budget line item (November \$75,000 and \$25,000 thereafter) be allocated initially as follows: \$50,000 to the JCDA to pay the line of credit, and \$25,000 to the JCDA operating reserve account and thereafter, \$20,000 to the JCDA line of credit repayment, and \$5,000 to the JCDA operating reserve. The motion having been made by the committee recommendation, was seconded by Commissioner Joe Wise. The motion carried, unanimously.

#### **STAFF REPORTS**

Main Street America Program Report in conjunction with Connect Downtown Johnson City Foundation

Deputy Director Lindsey Jones shared upcoming holiday events with the board: Candy Land Christmas, Sip Shop & Stroll, Holiday Market and more. She also shared statistics on Restaurant Week and the Community Paint by Number Mural. Chairman Carr suggested that Downtown Johnson City present updates to the JCDA board during the January or February meeting.

**Executive Director's Report** 

#### **CHAIRMAN'S REPORT**

#### **ADJOURNMENT**

Meeting adjourned at 9:05 AM by Chairman, Hank Carr.

#### **John Sevier Center Operations Report**

#### December 2022-January 2023

#### 1. Security Personnel Contracted

The Operations Team met virtually with LHP on December 20, 2022, to discuss the increasingly urgent security conditions for the John Sevier residents, in addition to building vandalism and ongoing unauthorized occupation in common areas in the evening hours. The extreme cold weather exacerbated the ongoing safety and security issues at the facility. LHP recommended that JCDA allow a nighttime security guard immediately, with an estimated cost of \$10,000 per month, with the understanding that the cost would be evaluated with the JCDA in January. The action had been considered previously, but the investment in cameras, upgraded doors and hardware that had been employed as an initial approach has been insufficient due to existing conditions. Chairman Carr directed LHP to spend up to \$10,000 as an "emergency expense" to engage a security firm. The nighttime guard was in place by December 27<sup>th</sup>, which was the earliest the firm could have staff in place.

LHP and JCDA staff have been examining the budget impact of a number of items, including insurance coverage and roof repairs to meet insurance requirements, as further discussed in items 3 and 4, below. If the current security costs continue and additional costs such as water, roof repairs, winter weather water loss clean up (\$8,200), and capital expenses are taken into consideration, the budget will need to be reduced in other areas, significantly across the year. Staff recommends that the security expense be examined monthly in coordination with LHP and a collaborative effort between the JCDA Operations and Finance Committee members.

#### 2. Water Leak Expenses Resolution Targeted

The water and sewer bill has returned to normal this month, yet, a large outstanding bill is due to the City of Johnson City Utility Services. The ongoing expense of nearly six months has resulted in a significant expense well beyond budget estimates. Staff is in the process of working with the City to determine how the leak policy could be applied.

Multiple meetings were held between LHP, JCDA staff, and City staff regarding potential problem areas and potential remedies. The City of Johnson City has been exceptionally helpful and has spent considerable time investigating the matter, including examining meters and use trends. Following an additional meeting on December 8 with LHP, the City, and JCDA staff, every toilet and bath in 150 units was checked for leaks, with additional focus on sloan valves. The effort appears to have resulted in the bill returning to its current normal rate. Staff will continue to work with the City and LHP to determine if the current water use pattern shows a remedy and how to resolve the bill.

#### 3. <u>Insurance Coverage Under Review</u>

JCDA staff received and email November 29 that certain requirements must be met for the insurance carrier before early February 2023. Since then, staff and LHP have worked to provide proof of repairs, upgrades, and other work performed at the John Sevier Center to meet the

insurance requirements as well as demonstrate the significant investment made in the building to meet HUD REAC requirements and beyond. The most critical incomplete item is the required roof evaluation and subsequent repairs. Currently, the estimate for the repairs is \$25,000, as discussed in more detail in the next item. It must be completed in order to satisfy the insurance carrier. The cost will be another large expenditure against a budget that quickly is running into a potential deficit position, however, the repairs must be made.

The insurance agent has been and continues to work with the current carrier, as well as other potential carriers to obtain coverage quotes. We requested a progress update Friday and will provide additional information at the meeting.

#### 4. Roof Repair Necessary

As discussed in the item above, the JCDA staff and LHP Management were notified by the property insurance carrier for the John Sevier Building that roof repairs noted in a previous inspection needed to be addressed before the insurance renewal date. LHP received a quote in early January from a commercial roofing company in the amount of \$25,000 to repair the drain and repair sections of roof membrane that had detached from the parapet walls on the very top floor roof. The installed drain, for example, is elevated above the standing water line, creating a 'ponding' issue on the rooftop. The current adopted budget for the John Sevier Center does not include a capital expenditure of \$25,000 for roof repair, but due to the urgency of these repairs, as well as insurance expectations, LHP can move forward with emergency repairs. Since the board asked during the budget approval process to be kept informed of such necessary capital expenses, staff is providing notice of the emergency capital repair.

#### 5. Current Vacancies

During the past few months, the current management team diligently has cleared the long-standing waiting list. Some on the waiting list were ineligible and others could not sign a lease due to deposit costs. Following some evictions and unit turnover, vacancies remain. LHP anticipates improving the vacancy rate, in particular, management has noted the difficulty that some potential residents have making up front utility deposits, thus will be creating a program to help qualified tenants manage the deposit.

#### 6. December Weather Related Damages

During the extremely cold weather in December, a sprinkler ruptured in a recently unoccupied unit, which caused water damage to four units. The cost for clean-up was \$8,200.

#### 7. Budget Forecasting

The John Sevier Center has sustained numerous emergency repairs in the past few months, in addition to those that must be made for insurance reasons. Staff is continuing to work with LHP to evaluate and update expenses against the budget. Previously, LHP had provided a weekly cash projection update. The Executive Director is recommending that LHP return to that reporting model beginning the week of January 23rd, in addition to holding a budget meeting with LHP to examine the recent unexpected expenses, the revenue from the MUTM, and the overall budget impact.

#### **John Sevier Disposition Update**

Since the last Johnson City Development Authority meeting, in November, LHP has been working to file necessary paperwork related to the formal application to the U.S. Department of Housing and Urban Development to request the transfer of affordable housing credits, per 8(bb) Section 8, from the John Sevier Center (HAP Contract No. TN370070001) to Tapestry at Roan Hill (New Development) at 2162 South Roan Street. The thirty (30) day notification and comment period expired December 8, 2022. Next, a remote meeting concerning the transfer will be held on January 25, 2023, with staff from the U.S. Department of Housing and Urban Development. Staff will follow up with additional information at the January 27, 2023, JCDA meeting.

Additionally, on January 19, 2023, City Commission approved the issuance of tax exempt bonds from the Tennessee Housing Development Authority to fund the acquisition and construction of Tapestry at Roan Hill.

#### **Downtown Centre Report**

#### January 2023

The Downtown Centre lease between the JCDA and Northeast State expires in December 2023. Through the remaining term, as for the past four years, JCDA receives \$1,000 per month in rent revenue. Multiple investments have been made by the City of Johnson City, Washington County, and the JCDA, in addition to contributions by Northeast State. Northeast State also, in general, is responsible for the daily care and upkeep of the building, as specified by the agreement.

President Jeff McCord has spoken with Chairman Hank Carr and Executive Director Oldham about the lease deadline, including the availability and use of the parking garage spaces, the need to make a decision with due speed for fall term planning and enrollment, and what Northeast State's overall role in downtown could be in partnership with the JCDA. The JCDA has asked Northeast State to evaluate their use of the building fully and examine any opportunities for additional uses. President McCord would like the JCDA to provide options to remain on site, even on an interim basis, or provide notification of the intent to not renew the lease. In order to obtain up to date market rate data and commercial real estate comparisons, the JCDA has scheduled an appraisal, which should be ready by mid-February.

#### **Recommendation:**

The Executive Director recommends that the Finance Committee, and any others so appointed by Chairman Carr, consider the results of the appraisal when it is received and make further recommendations to the JCDA in February, while discussions with Northeast State also continue in the coming weeks. The JCDA also would keep the City of Johnson City informed and involved in the discussions.

#### **Human Resources Report**

January 2023

Lindsey Jones, the Deputy Director of Main Street and Chief Communications Officer resigned her position on January 4, 2023. Her last work day was January 20, 2023.

Due to her academic schedule, Sara DelBene, has requested that she not be scheduled for her usual 20 hour work week during the academic year. The Executive Director offered a leave of absence, should the opportunity arise to have her handle limited special projects or employment outside the academic schedule.

#### **Recommendation:**

The Executive Director recommends that the Human Resources Committee convene in February 2023.

### **Finance Committee Report**

January 2023

The JCDA Finance Committee convened at 12:30 PM on January 19, 2023, at the JCDA office, with Board of Director members Hank Carr, Seth Thomas, Freddie Malone, Jack Simpson, Ernest Campbell, Executive Director Patricia "Tish" Oldham, and Finance Manager Daniel McIntosh in attendance. [Please note that the Finance Committee received a written briefing and November financial statements by email on December 15, 2022, in lieu of a meeting, since the December regular JCDA meeting was cancelled.]

#### Items reviewed included:

- 1. Review of Audit Findings with BCS
- 2. JCDA General Fund Financials
- 3. JCDA Special Reserve TIF Fund Financials
- 4. John Sevier Center Financials
- 5. Water Bill and Roof Estimate for the John Sevier Center

The following is a summary of the meeting and review by the Finance Committee, as related to the JCDA meeting agenda items.

#### 4.1.1 APPROVE NOVEMBER AND DECEMBER 2022 JCDA GENERAL FUND FINANCIALS

#### Summary / Action

The December 2022 JCDA General Fund Financials, as prepared by the David M Ellis Firm, Certified Public Accountants were reviewed by the Finance Committee with a unanimous recommendation to accept and forward to the JCDA for approval of the financial statement.

(Motion Malone/Simpson) Motion passed. (November financials reviewed electronically via email memo.)

#### 4.1.2 APPROVE NOVEMBER AND DECEMBER 2022 JCDA SPECIAL RESERVE TIF FUND FINANCIALS

#### Summary / Action

The December 2022 JCDA Special Reserve TIF Fund Financials, as prepared by the David M Ellis Firm, Certified Public Accountants, were reviewed by the Finance Committee with a unanimous recommendation to accept and forward to the JCDA for approval of the financial statement. (Motion Thomas/Campbell) Motion passed. (November financials reviewed electronically via email memo.)

#### 4.1.3 FORWARD NOVEMBER AND DECEMBER 2022 JOHN SEVIER CENTER FINANCIALS

#### Summary / Action

The December 2022 John Sevier Financials, prepared by LHP, were reviewed by the Finance Committee and forwarded to the JCDA for review. (Motion Campbell/Thomas) Motion passed. (November financials reviewed electronically via email memo.)

#### 4.1.4 APPROVE AND ACCEPT THE 2022 AUDIT FOR THE JOHNSON CITY DEVELOPMENT AUTHORITY

#### **Summary / Action**

Staff heard comments from BCS regarding the Johnson City Development Authority audit performed by BCS for the Johnson City Development Authority. A presentation will be made by BCS at the JCDA regular meeting on January 27, 2023.

#### Additional discussion included

- JCDA and LHP efforts to document work performed at the John Sevier Center for the insurance renewal process at the John Sevier Center. (See also John Sevier Operations Report)
- Security, outstanding water bill, and roof repair place strain on the John Sevier operating budget. In the adopted budget, after all operational costs, mortgage payments, and the payback schedule to the JCDA for monies loaned, \$176,565 remained as net income. Budgeted revenue excess has been reduced by increased salary costs for building operations and management, unexpected utility water costs, higher than expected bad tenant debt, and more apartment vacancy than expected. LHP is currently analyzing the increased costs and does believe the increased revenue from the Housing Assistance Program (HAP) increase realized in November will carry the extra costs. The increased cost leaves little to no revenue to build capital reserves for next year's budget or other unexpected costs in the current fiscal year.
- Staff continues to review necessary amendments and revised revenue expectations for the JCDA Budget FY23 to reflect City of Johnson City revenue allocations.

## **Johnson City Development Authority**

### **Audit Review 2023**

#### January 2023

Blackburn, Childers & Stigall, PLC, Certified Public Accountants and Consultants (BCS) concluded the independent audit for the Johnson City Development Authority, in accordance with *Government Auditing Standards*, and for the discretely presented component unit, the Downtown Johnson City Foundation 501 (c)3, as well as the John Sevier Center, as a separate business-type entity, on November 30, 2022. BCS will be present at the meeting to discuss the audit reports and management letters. The audit and associated management letters will be available at the meeting for reference.

Date: January 27, 2023
Re: Main Street America Program Update
Administered by the Downtown Johnson City Foundation

Recent Meetings The January Downtown Johnson City Foundation meeting was held on Wednesday, January 18, 2023. Chaired by Alex Bomba, Secretary/Treasurer, the board approved the financial statements. Lindsey Jones reported successful Candyland Christmas, Holiday Market, and Sip Shop and Stroll December events. The board thanked Ms. Jones for her service and all her efforts on behalf of downtown. Everyone wished her great success and she noted that her last official day would be January 20, 2023, but that the 18<sup>th</sup> was her last day in the office. The committee meetings for Main Street will be scheduled for early February. Board members and terms are available upon request. Officers are: Tracy Johnson – Chair, Kim Blaine – Vice Chair, Alex Bomba – Secretary/Treasurer.

#### **Annual Main Street Report and Letter**

The Executive Director will request the necessary signatures from the City Manager and the Mayor for the annual program letter, in addition to completing the Main Street America annual report. The report requires obtaining recent data indicators such as city building permits, jobs created, and investment information from both public and private sources, budgets, board membership, financial statements, as well as photos, event information, and overall updates regarding the program and its forthcoming year.

#### Design/Placemaking Updates:

#### **Paint by Numbers Mural**

Grant funding reimbursements for the Community Paint by Number Mural (Mid City Grill building) were received from the Tennessee Arts Commission. Staff will be following up with the TAC to be sure that all grant closeout reporting has been completed.

#### Dog Park Dash Grant Project

All elements of the dog park dash funding process have been submitted to the Boyd Foundation. The next step is to schedule a Check Presentation at their convenience and receive the first portion of grand funding. The Downtown Johnson City Foundation approved the creation of a bank account to receive and maintain special project funds. At this time, the only special project is the Dog Park Dash. A matching donor anticipates providing 1:1 fund match with the Boyd Foundation, once the organization provides their funding. The project will require project management for material bids and donations toward the project to lower build out expenses. The Main Street design committee will initiate forming partnerships with the Washington County Animal Shelter and Humane Society and other stakeholders for dog park related tasks and ideas.

#### Wild-about Walk-about Scavenger Hunt-

The ETSU Arts Department has completed the replacement animals, repaired others, and created fourteen new bronze animals that will be placed downtown in late January. The animals were selected to represent those in Ian Brownlee's "Wildabout" Mural in King Commons. The CDJC Design Committee leads this task. The group will work with the Johnson City Public Library on clues and public outreach.

#### **Promotions/Marketing Updates:**

Candy Land Christmas Downtown Johnson City is responsible for the event organization, selling and arranging trees, and graphic creations for the event. Sponsors included Bank of Tennessee, BrightRidge, TPI Corporation, TownView Senior Living, and Appalachian Maid Services. In addition to fundraising through the 160 individual tree sales, \$21,000 was collected in sponsorships. Visitors experienced live music from multiple church choirs, had free hot cocoa on select nights, were able to shop at this year's Holiday Markets, and visited with Santa in Founder's Park. TVA revealed new SmartPoles that provided holiday music in the parks throughout the season. Axis Security monitored the trees nightly from November 14<sup>th</sup> through January 8<sup>th</sup>. A survey is currently underway for participants to give their feedback on the event. Results will be shared after the survey has concluded.

#### Sip, Shop, and Stroll - December 2<sup>nd</sup>

Holiday Sip, Shop, and Stroll event ticket sales reached 499 participants this year, compared to 346 tickets last year. Over twenty downtown merchants offered holiday hospitality, specials, and complimentary beverages and snacks. Participants picked up their Downtown Johnson City branded mugs and event maps at the JCDA office, where they could kick off the event with light snacks and non-alcoholic mocktails, sodas, and water to start their evening. The ticket revenue contributes toward downtown improvement projects. The event is free to all merchants and is intended to drive foot traffic and return purchase visits to merchant and restaurant doors during the holidays and beyond.

#### Holiday Market- December 10

The annual Holiday Market at the Pavilion was a festive and busy all day long. The weather was wonderful which brought large crowds to visit over 40 local artisans and makers offering a unique holiday shopping experience. As staff visited with vendors after the event, all had a very successful day and had a high rate of purchases per hour. Food vendors provided a variety of options, in addition to adding foot traffic to downtown restaurants and other merchants. Free (very cute) photos with Santa Claus were provided and posted on Facebook for all those who had signed a release form.

#### **Economic Vitality Updates:**

#### **Placemaking Grant**

The State of Tennessee Department of Economic and Community Development approved the request to extend the use of the Placemaking Grant funds through May 31, 2022. The majority of the grant has been disbursed and additional reimbursements for funding will be submitted. Staff will examine all applicable expenses that may be eligible for reimbursement, as well as determine the remaining amounts to be used for programming. A visit from the State of Tennessee will occur during the last week of January to monitor the grant, including the opportunity for them to see the grantees, The Generalist and Hometown Cottage.

### **Johnson City Development Authority**

### Other Business: Façade Grant Extension Request

January 27, 2023

**Property Owner**: Laura Altizer **Property Address**: 700 Buffalo Street

Company: Bang! A Salon

During the July 2022 JCDA meeting, Bang! A Salon owner Laura Altizer was granted an extension of the use of previously approved funds from the Façade Grant program. Ms. Altizer has requested the the JCDA revise the timeline to use previously approved funds from the Façade Grant program. Due to the delay surrounding the availability of roofing materials, Skyline Restoration and Maintenance cannot complete the work on the parapet wall until the roof material has been installed. The majority of their work has been completed. The previous extension was granted in July until December 31, 2022. The new request would extend the deadline until May 31, 2023. Staff has remained in contact with both Ms. Altizer and Skyline Restoration and Maintenance concerning the repair process.

The orgininal grant was approved, as stated in the September 20, 2021, approval letter, for \$6,188. The company has provided a letter to the JCDA, also attached, confirming the delay.

#### Staff recommendation:

The Executive Director recommends that an extension be granted until May 31, 2023, conditioned upon providing written documentation on letterhead to oldham@downtownjc.com from both roofing company and Skyline Maintenance and Restoration to the Johnson City Development Authority stating the work schedule for Ms. Altizer's project, the work completed to date, a punch list of the remaining work to be completed, and the start date and completion date, by no later than February 1, 2023.

## Agenda Item #7.7.1.

Via email January 15, 2023

Hi Tish,

I am touching base with you on this facade grant extension and the progress on the work that Skyline has accomplished with the back wall of my building and the continued progress with the parapet work in which is why the extension was requested. Vohcarr Construction is scheduled to do the roof project with the expected finished work on the last week of January weather permitting. The finishing portion of that project entails the parapet work that is part of the grant monies. Ian Jones with Skyline Contractors was in touch with you about this extension in December and mentioned that you asked for me to reach out to you. Please let me know if you have any questions or concerns. I can be reached at (423)XXX-XXXX

Thank you, Laura Altizer 700 Buffalo St. Agenda Item #7.7.1.

Laura Altizer

Attn: Patricia Oldham

Façade Grant for 700 Buffalo Street

To whom it may concern,

Skyline is conducting the exterior façade repairs on the building at 700 Buffalo in Johnson City, Tn. So far, we have been able to complete the repairs/painting on the exterior painted wall. However, we still have the parapet caps on the roof left to repair.

The nature of our repairs requires the new roof to be installed. Due to material constraints the roof hasn't been able to be replaced yet. In conversations with the roofing company (Vohcar), we have received verbal estimates on roof install in the next 30 to 60 days depending on weather.

Skyline is requesting an extension of at least 90 days to complete repairs but would request an extension of 180 days to account for potential weather/material delays on the roofer's part and ours. We understand constraints and are willing to work with what timelines are available. Please let us know at your earliest convenience.

Thank you,

lan Jones – Skyline Restoration & Maintenance lan@srmhistoric.com 423-972-3352
